Nichiban Premium Tape Products

The Nichiban name is synonymous for producing the highest quality performance tapes.

Since it was first established in 1918 in Tokyo Japan this global market leader has incorporated the latest adhesion innovation and technology to produce packaging, cloth, double sided and cello tape of the highest calibre.

Southern Cross Tapes have been representing the Nichiban brand as their exclusive Australian distributor for close to 15 years.

- ✓ International market leader
- ✓ Latest, innovative technologies
- ✓ High quality, proven product range
- ✓ Established for close to 100 years

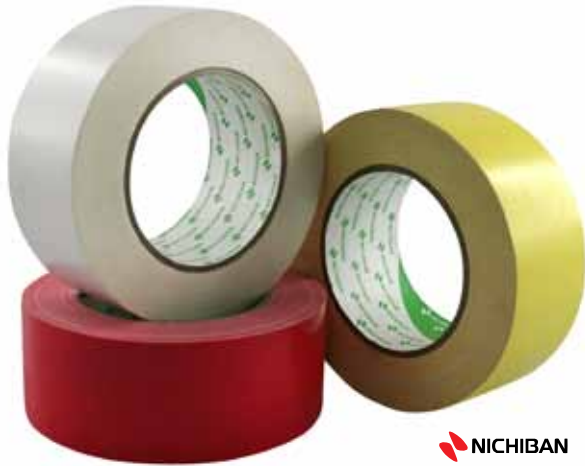

735 - PREMIUM POLYPROPYLENE PACKAGING TAPE

- High grade rubber solvent adhesive provides outstanding performance in even the most challenging conditions - hot or cold.
- Suitable for use in most transport and extended storage conditions including freezers.
- Available in clear or tan.
- Packaged in shrink wrap sleeves with cellophane dividers to minimise dust and ensure long shelf life.
- Hand dispenser also available for easy application.
- Superior holding strength gives you the piece of mind that your valuable product will arrive at its final destination in the same condition it left!
